LETTER

April-May

Director's Message

"Education is not filling a pail but the lightning of a fire."

-William Butler Yeats

The Millennium School aims to be an institution that entitles each child to a sound foundation of knowledge, values, and life skills. We endeavour to ensure that each child is equipped with the skills, values, and attitudes that will enable him/her to face the future courageously with self-assurance.

To us, the real purpose of education is not merely the acquisition of knowledge, but to prepare children to adapt to a rapidly changing world. We are committed to providing a stimulating environment where children experience the joy of learning. The school aspires to foster in each student the strength of character, confidence, empathy, and compassion to make a difference in the world. We take on the responsibility of nurturing children and helping them open their minds to the wonders of life.

The past few years were full of uncertainty and challenges, forcing most people to adopt new realities. Knowing that change is the only certainty, together we learned to engage with challenging and complex questions effectively and creatively. Seeing our parents and students embracing the changes with such positivity made us really optimistic.

On behalf of the Management and Staff, I extend my heartfelt gratitude to all those who have been a part of this collective endeavour.

We look forward with hope and optimism with renewed vigour in the forthcoming academic session. We are very excited to welcome our students back to school and aim to make the return as positive and smooth as possible.

Wishing you all good luck for the coming session!

With warm regards

Prof. Dr. Mahesh Gandhi

Principal's Message

I am thrilled to introduce myself as the new principal of our exceptional school. My main goal is to create a safe, inclusive, and nurturing environment where every student can thrive academically, socially, and emotionally.

I believe in fostering a love for learning, critical thinking, and personal growth. Open communication and collaboration are essential for our success, and I encourage parents to actively participate in their child's education. Our dedicated staff is committed to providing high-quality tutelage that meets the diverse needs of our students.

I am here to support and empower our educators while embracing new opportunities for growth. Let's embark on an inspiring educational journey together, empowering our students to become lifelong learners.

With warm regards,
Principal
The Millennium School
Sector-119

ORIENTATION DAY

The Millennium School organized an orientation programme on 1st April 2023, for the new set of parents to familiarize them, "as partners in progress" with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic activities.

The orientation programme proved to be an earnest effort made by the school in educating the parents to look after and guide their children in an appropriate manner. It also aided in evolving a mutual teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children.

SPORTS DAY

14 APRIL, 2023

“Victory is not achieved instantly but is achieved definitely”

On the occasion of Ambedkar Jayanti, The Millennium School celebrated sports day across all wings. The event kicked off with the youngest participants showcasing a delightful combination of drills and entertaining races.

They demonstrated their strength and skills through engaging events like the chef race, rabbit race, chicken race, letter race, and shape race. Additionally, they flawlessly performed synchronized drills such as the flower, umbrella, hoopla, and pom-pom maniacs. The performance showcased the incredible agility, coordination, strength, and endurance of the talented youngsters from TMS II9.

The Sports Day for the senior wing commenced with paying tribute to Baba Sahib’s portrait followed by the release of balloons in the air by the Chief Guest, the Director of the school, Professor Mahesh Gandhi and the Principal. The students displayed a wide array of energetic sports events ranging from skipping and balancing race, hockey race, obstacle and hurdle race, basketball, dumbbell drill and tug of war. The highlight of the show was Saree Drill in which students made enthralling patterns using sarees. The audience was mesmerized with the energetic performances by the students.

Pre-Primary

WORLD HERITAGE DAY - 18.04.23

On World Heritage Day, the tiny tots were introduced to the concept of heritage and informed about significant world heritage sites. Specifically, they learned about the renowned Red Fort and subsequently engaged in a range of creative activities related to it.

EID CELEBRATION - 20.04.23

A colorful tapestry of traditions and jubilation!! Students adorned in vibrant traditional attire, embraced the spirit of unity and exchanged warm greetings. With joyous prayers, spirit of togetherness, and acts of kindness, the students celebrated Eid, spreading love and happiness throughout the school community."

EARTH DAY - 21.04.23

Earth Day at TMS - 119 was a celebration of nature's wonders. Students created planters and paper bags as they pledged to protect the environment telling everyone that recycling is the need of the hour. With joy and enthusiasm, we embraced sustainable practices and committed to preserving our planet's beauty. Together, we'll make a difference for a greener future.

Pre-Primary

WORLD BOOK DAY - 04.05.23

A Literary Extravaganza!

Students let their imaginations fly and created bookmarks, engaged in storytelling sessions, and participated in book swaps. They celebrated the magic of reading, fostering a love for books and imagination. It was a day filled with literary adventures and inspiring stories.

MOTHER'S DAY - 14.05.23

On Mothers Day, all children from Pre-Primary made special and exquisite artifacts for their mothers. The tiny - tots carried back home their little token of love to their mothers which filled the air with heart-warming feelings of love, gratitude and appreciation. making their day extra special and reminding them of their irreplaceable role in our lives. The craftworks were made of recycled material because TMS advocates in using recycled materials to reduce global waste in the world.

World Heritage Day - 18.04.23

On April 18, 2023, The Primary wing commemorated World Heritage Day to promote awareness among students regarding the global cultural heritage's diverse nature. The objective was to sensitize them towards the preservation of historical monuments. The event included a range of activities that allowed students to immerse themselves in the vibrant tapestry of the country's cultural heritage, providing them with a rich and diverse experience.

Earth Day - 21.04.23

The Primary Department organized Earth Day, inspiring a love for nature in our young students. Keeping in mind that these kids are our future generation, the school has tried to spread the awareness among them by various activities that were planned for them.

World Book Day - 25.04.23

World Book Day is observed worldwide annually, aiming to promote reading by selecting a specific theme. This day highlights the significance of books as repositories of cultures, facilitators of dialogue, and sources of enrichment. On April 25th, the Primary Department arranged various activities to foster reading abilities among young students.

National Technology Day- 10.05.23

Each year on May 11, National Technology Day is observed to commemorate the progress of technology in India. The Primary wing students enthusiastically celebrated this day to generate enthusiasm for science and motivate learners to pursue it as a field of interest.

Mother's Day - 12.05.23

"A mother is who can take the place of all, but whose place no one else can take". A mother is irreplaceable, offering a unique presence that no one else can replicate. Mother's Day holds immense significance for both children and mothers. Considering the depth of this emotional connection, the students of the primary department organized a distinctive celebration to honour and cherish mothers on this special day.

MIDDLE & SENIOR

17-18 May, 2023

The Adolescent Education Program

(AEP)

Billabong High International School in collaboration with expressions India- The National Life skills, school health, safety and wellness program organized a two-day adolescence education orientation program on 17th and 18th May 2023 on the theme "Creating empowered environments by strengthening compassion and collaboration among communities to build and foster an inclusive world."

18 April, 2023

World Heritage Day 2023

The middle wing of THE MILLENNIUM SCHOOL commemorated World Heritage Day on 18th April, 2023 to honour the world's cultures, apprise the learners with the heritage sites, and contribute towards the preservation of our Country's heritage in our own little way.

As part of the celebrations, the students of Grade 6 to 9 organized different activities like best out of waste, travel brochure on famous monuments, poster making of heritage changes and heritage on soft board.

ACHIEVEMENTS

We are thrilled to share the wonderful news that Atharv Tripathy from Grade X A has received a Merit Certificate as the State Topper in the National Standard Examination in Junior Science 2022. Atharv's outstanding performance places him among the top 1% of 2061 candidates from Uttar Pradesh, as recognized by the Indian Association of Physics Teachers. The Millennium School, Sector-119 Noida, takes immense pride in Atharv's remarkable achievement. Congratulations to our exceptional champion!

At The Millennium School, we prioritize holistic development alongside academics. We take great pride in acknowledging the achievement of Kyra Dutt from Grade 2 A, who recently participated in the Vikramjeet Singh Memorial Open Table Tennis Tournament 2023. Kyra's remarkable performance earned her the second rank out of 35 participating children. We extend our best wishes to Kyra for her future endeavors. She has made us immensely proud, showcasing her talent and dedication in the tournament.

THE FESTIVAL OF CREATIVITY AND TALENT

"My Mother, My Pride"

On 23 May 23, the parents of 5th graders were invited to a special coffee gathering, where the students honored the loving and nurturing spirit of mothers.

IAS officer Mr. Vinod Tiwari graced the event for a delightful morning celebrating the incredible bond we share with our mothers.

The performances were all dedicated to celebrating the irreplaceable role of mothers and acknowledging their everlasting influence, unwavering support, guidance, and the immeasurable impact they have had on our lives.

GRADE X- FELICITATION CEREMONY

**"The Future Belongs To Those Who Believe In The Beauty Of Their Dreams"
Eleanor Roosevelt**

The felicitation ceremony for Class 10 students was a proud and memorable event. With applause and cheers, certificates of achievement were presented to the deserving students. Our Chief Guest, Director Sir and Principal Maa'm shared inspiring speeches, acknowledging their journey and offering valuable advice. The captivating dance performance by the students left the audience in awe, while the instrumental music enhanced the overall atmosphere of the celebration. The school's Director announced the introduction of new programs, such as Artificial Intelligence, Robotics, shooting range, and swimming, expressing gratitude to parents for their support. The principal encouraged students to persistently pursue excellence in all areas of life. It was an unforgettable day that honoured diligence, commitment, and success. The ceremony recognized academic and extracurricular accomplishments, leaving a lasting impression on the students' minds. It was a joyous celebration of success and a stepping stone towards a promising future.

COORDINATOR'S MESSAGE

PRE-PRIMARY WING

The future of the world lies in its youth. The better is the quality of youth the better is the fate of its people and ultimately the world can become a better place to live. There is no shortcut to instill quality ingredients in the youth, it rather takes a great deal of commitment, sincerity, vision and effort put together in a scientific process to build a balanced, matured, compassionate, honest individuals who are competent to take on the challenges presented to them by the mother nature as well as by the social ills.

We at millennium School are committed to inculcate such life changing ingredients in our students through our compassionate and scientific pedagogy.

Parting with education is just one part of our endeavor. Our management is committed to provide the desired environment and our Principal's tenacious execution approach helps in the overall development of the child. From creative thinking to writing codes and from public speaking to healthy behavior is an integral part of our skilled teachers and their innovative teaching pedagogies. Our mission is not only to pave the path for our students but also to train them to walk that path effortlessly and efficiently.

Regards,
Fauzia Ghani
Pre-Primary Coordinator

COORDINATOR'S MESSAGE PRIMARY WING

The legend Einstein once said –
“Education is not the learning of facts,
but the training of the mind to think.”

I also aim for the same concept of education and foster students character by following the mottos – Be Bright! Be Considerate! Be tenacious! We believe that education should train the young minds to think out of the box and guide them to achieve the desired results, and to achieve the same, the school organized different workshops from time to time to make the learning environment for children to be worth enjoying, and at the same time to enhance the conceptual approach of the students. This zenith of success of our students was impossible to achieve without the never ending spirit, dedication and hard work of the teachers and students. I would never fail to acknowledge the support of Parents, without whose persistent support and faith we would never achieve what we aim to achieve every single day. I convey my best wishes to all Students and Parents.

Regards,
Tripti Sarin
Primary Coordinator

COORDINATOR'S MESSAGE MIDDLE WING

"The goal of education is not to increase the amount of knowledge but to create the possibilities for a child to invent and discover, to create men capable of doing new things."

-Jean Piaget

The Millennium School sector 119 Noida offers a plethora of opportunities for students to learn a number of life skills while having access to a high-quality education. The aim is to equip the students to emerge all holistic human beings who continue to grow in knowledge, curiosity, courage, creativity, achievements, confidence and competence with a sense of fulfillment and understanding.

The school programs of The Millennium School-119 Noida give students more possibilities to develop teamwork and learn outside the classroom. We provide children with an educationally rich environment in which education infiltrates all aspects of their life. I strongly believe that the purpose of meaningful education is not only to impart knowledge but also to produce compassionate, tolerant and strong individuals.

Regards,

Chaitali

Middle school coordinator

COORDINATOR'S MESSAGE

SENIOR WING

It gives me immense pleasure to witness the all-new edition of our school newsletter. A beautiful amalgamation of the thought process, writing skill, clarity in expressive power and comprehensive ability of our budding talent.

Today, The Millennium School Sector -119- a name to reckon both in the field of curriculum & non-curriculum activities - is marching towards a better tomorrow, armed with exceptional knowledge and wisdom, intricately inculcated in all our students under the able guidance of our director sir Prof. Mahesh Gandhi Sir & Respected Principal ma'am, Ms. Sangeeta Mukherjee Roy, along with the most dedicated teaching fraternity. Each one of us aspires to make never ending efforts to imbibe everything that will make TMS-119 stand tall with brightness and an aura of competence in all future endeavours. We bring out the best in our students, strongly believing that they are upcoming leaders who truly innovate and inspire the outside world in different zones. Proud to be a part of TMS-119.

With Best Wishes
For Now, & For Always!!
