

The Millenium School, HMEL News Letter (2024-2025)

Think Today, Change Tomorrow

From The Principal's Desk

Welcome to TMS-HMEL!

At The Millennium School, we believe that every child is a treasure trove of potential and talent, waiting to be nurtured and guided. Our mission is to create lifelong learners who will evolve into compassionate leaders, innovative thinkers, and responsible global citizens. We work hand in hand with parents, fostering a strong partnership to ensure the holistic growth and development of every student.

Our core values form the foundation of everything we do. Honesty, compassion, tolerance, and respect for others are integral to our culture. These values, combined with a respect for our country's rich heritage and democratic principles, guide us in shaping students who take pride in their identity while embracing diversity.

At The Millennium School, education goes beyond academics. We instill in our students a sense of ethical responsibility and the importance of contributing to society. By encouraging cooperation and teamwork, we empower them to make meaningful contributions to humanity and build a brighter future for all.

Together, as educators, parents, and students, we are committed to creating a nurturing environment where values and learning merge seamlessly. Let us work collectively to help our children shine and make a difference in the world.

Warm regards,

Mr. Tarun Kumar

Principal-The Millennium School, HMEL

Birth Anniversary of India's Legendary Hockey Player Major Dhyan Chand.

Once again it's time to celebrate: in the Punjab School District Games 2024, Taekwondo students from Millennium School , HMEL, come away with an impressive haul of medals in the U-17 Boys' category.

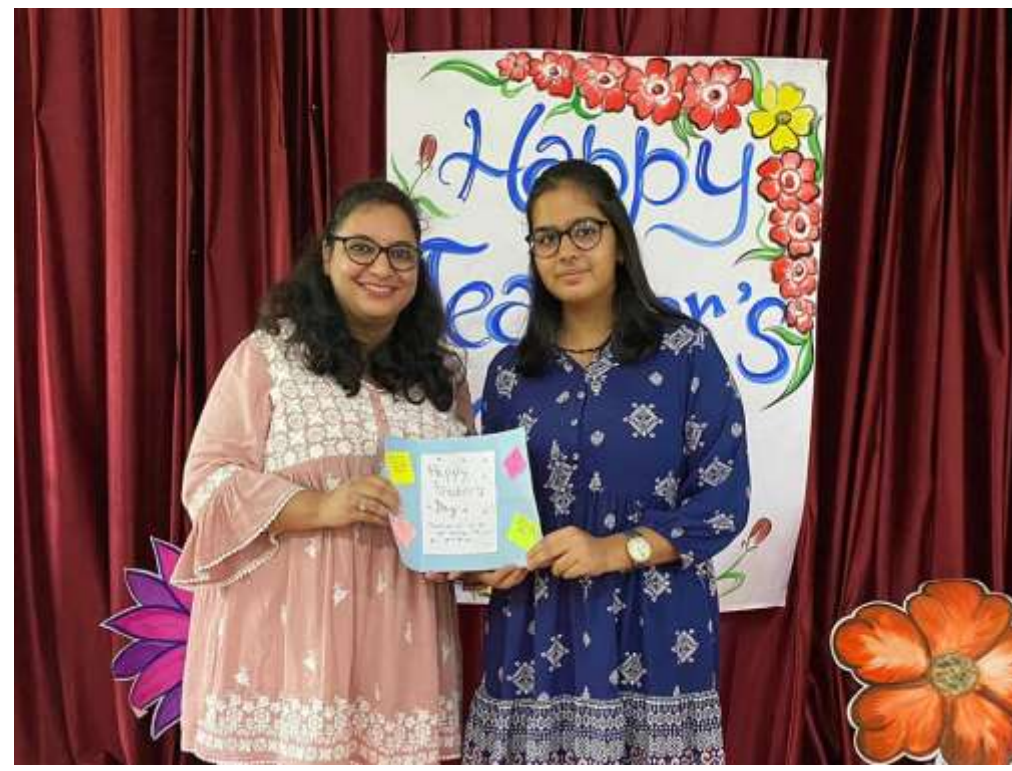

The Millennium School, HMEL, celebrated the auspicious occasion of Guru Granth Sahib Prakash Utsav with great fervour and devotion. The students participated in an intra house Shabad Gayan competition, showcasing their talent and connecting with their spirituality.

The students of The Millenium School, HMEL, celebrated Teachers' Day with great fanfare and organised a variety of entertaining programmes for the teachers which were thoroughly enjoyed and appreciated by the teachers. Here's a glimpse of those moments.

Fun filled outing to Pun-Fun for LM-1st class kids

TMS, HMEL believes that interactive learning is best combined with fun and children learn best through multisensory learning. Keeping that in mind, kids from classes 2 and 3 enjoyed a trip to PunFun.

Celebrating Engineers' Day in school is an excellent way to inspire and motivate students to pursue careers in the fields of engineering and technology. Under the guidance of the school principal, Mr. Tarun Kumar, the school faculty Ms. Shweta Verma and Ms. Poonam Pant, along with students of The Millennium School, HMEL visited the Guru Gobind Singh Refinery to felicitate the engineers. The students had an interactive session with the engineers, headed by the HR manager, Mr. Vikas Mehta and his team. The school is deeply grateful for their support and partnership.
