Principal's Message

**Dear All,
Greetings!**

“Investing in Dreams always pays rich dividends.”

It is a pleasure to share with you all the glimpses of this term. It has been a momentous time for all of us with tremendous growth, resilience and creativity in our academics and extracurricular activities.

We have being made proud, every moment by our students.

The events both intra-school and inter-school have given an excellent exposure to our students.

Their stupendous performance has made us gratified.

We deeply appreciate your partnership and support for creating a strong foundation for young “Millenniumites.”

We believe to have an inspiring term ahead,

**Educationally Yours,
Mrs.Sangeeta Uppal
Principal**

Yoga provides a holistic approach to health and well-being apart from striking a balance between all aspects of life."

To raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world, International Yoga Day was observed in 'The Millennium School' with great enthusiasm.

The event began with a brief introduction on Yoga Day and its theme this year followed with the multifaceted benefits of Yoga. After the warm up exercises, the students practiced & performed the different asanas as guided by the Sports Instructors and demonstrated by the volunteers. The program concluded with a synchronized chanting of OM and inspired children to embrace yoga in their lives.

Shining stars of TMS Indore, Grade III -V, who are also the Olympiad winners, made us proud by showcasing their exceptional talent and dedication. We are thrilled to announce that our students have achieved remarkable success in various Olympiads demonstrating their academic excellence and passion for learning.

India is the cradle of the human race, the birthplace of human speech, the mother of history, the grandmother of legend, and the great-grandmother of tradition.
To honour our culture , praise and appreciate the tradition of India, an *Interhouse* *Heritage Quiz* was conducted in *The* **Millennium School* on 16.07.2024, Tuesday for Grades VI to VIII. The theme was Mythology, Monuments, Fairs, and festivals, and Freedom fighters. The quiz saw enthusiastic participation from students who showcased their knowledge and passion for India's rich historical heritage . It also apprised the audience on how everyone should contribute towards the preservation of our countries Heritage in our own little way.

English Panel Discussion held on 15th July 2024 on the topic , Social Media: Social or Unsocial? aimed to explore the dual nature of social media in contemporary society. The panelists discussed whether social media fosters genuine social connections or leads to increased isolation and unsocial behaviour. The event proved to be a resounding success, providing an enriching experience for all involved. It encouraged the participants to develop essential skills, including critical thinking, public speaking, and teamwork. The event's success highlighted the importance of organizing such competitions to nurture the intellectual growth and communication prowess of the students . Respected Principal Mrs Sangeeta Uppal applauded the indelible efforts of the participants.

INSIDE OUT (Emotional wellbeing)

The students of Class XII and XI Psychology conducted an engaging and fun driven activity revolving around emotions to educate balancing of emotions in different scenario for classes 1 and 2 on 8th August, 2024.

The programme began with enactment on different forms of emotions by students helping younger ones identify them well. A Skit captioned "Simon says" was performed involving the younger ones who actively participated in the act and exhibited varying emotions which are experienced in our day to day live and drive or moods and behavior . The programme concluded with a short video depicting various forms of emotions in different situations through different characters.

Principal Ma'am stressed on the importance on emotional intelligence. She stated that mastering the act of balancing the emotions in life is key to become happy and content.

indoretms Leaders are individuals who inspire and guide others towards a common goal. They possess the vision to see the bigger picture, the courage to make difficult decisions, and the empathy to understand the needs of their team. Our Respected Principal, Mrs. Sangeeta Uppal was amongst selected 63 Principals all over India to attend two days Exposure Visit of CBSE Principals organised by CBSE Skill Education Department in collaboration with HEIs . It was hosted by IIT, Hyderabad from 29th to 30th August 2024. It was indeed a great learning forum for the leaders to create positive change in their organisations.
