Talwandi Sabo, Distt- Bathinda

Memo No: 770

Date: 15/07/2026

Subject- Certificate for Water & Sanitation for the Year 2026-27.

Reference - Your Letter No TMS/HMEL/26-27/002 Dated: 04.03.2026

In reference to the subject mentioned above, and based on the attached water sample test report, it is hereby certified that the institution is maintaining proper hygiene and sanitation standards. This certificate is issued on the condition that the institution will comply with the Government of Punjab Rules regarding the proper arrangement of safe drinking water, as well as hygiene and sanitation practices.

The Area JE/In-charge assigned by this office will conduct periodic inspections of the site. Any negligence observed will result in the imposition of a penalty. Additionally, please note that failure to comply with the above conditions will lead to the cancellation of the permission granted.

Note- You are hereby instructed to ensure that drinking water samples from your institution are chemically tested every two months from District Water Testing Laboratory, Bathinda. A copy of each test report must be submitted to this office promptly. Non-compliance with this directive may lead to the cancellation of your certificate.

CERTIFICATE

This is to certify that The Millennium School, HMEL, Bathinda was inspected by Shri Vikram Kamboj, Junior Engineer (DWSS) on 17.06.2026 and 07.07.2026 to verify the public health amenities available on the school premises.

As per the physical verification conducted during the above visits, the school premises were found to be hygienically neat and clean. The institution has adequate safe drinking water facilities for students and staff. The quality of drinking water has been found satisfactory as per the water sample test report issued by the District Water Testing Laboratory, Bathinda, vide Test Report No. DWTL/BTI/2526/00588 dated 28.02.2026.

This certificate shall remain valid up to 31.03.2027, subject to continued maintenance of the above standards.
